

WARRANTY STATEMENT

BANKSIA APARTMENTS DOCKLANDS

Twelve (12) months warranty applies to all new supplied equipment. In the case of a manufacturing defect we will repair or renew at no cost whatsoever to the customer. However, this does not apply to operator error or anything that is not correctly installed, re-used, second hand or supplied by others.

Urmet advise that under normal operating conditions and adequate maintenance the life expectancy of major system components is ten (10) years.

If you have any questions regarding the intercom and access control systems and their operation please call EPSILON Security during business hours Monday – Friday 03 9553 6888.

EPSILON Security offices are located in Moorabbin, 47 Levanswell Rd (VIC).
